

Wake With You

Chuck Ragan

I came here to wake with you at dawn
With no understanding of any wrong
To lay with you for endless nights
Trade the wreckage for the likes

Of a hazel eyed, strong willed brown haired girlSo hold tight to break free
You've got all of me if you want it that way

Take me in, I'll be good to you babe

And do my damnedest to make mistakes but onceI came here to batten down a song
Burn pages to the moon until they're gone

And let the wind carry the ashes on
A trade wind somewhere else is all

And everything we need to make that downSo hold tight to break free
You've got all of me if you want it that way

Take me in, I'll be good to you babe

And do my damnedest to make mistakes but onceI do my damnedest to make mistakes but onceOnce
