Righteous Smoke

Monster Truck

I was born in the fields
The dirt is my only home
This place is bad
They call me righteous smoke

Woa

Woa

Woa

Woa

I've been through the East
I've been on through the West
And the word on the trails
They like my song the best!

Yeah, I'm on fire
Yeah, I'm on fire (Right)

This righteous smoke is gonna set your soul on fire (Yeah it will)

Like a beautiful lady
I got all the money in the world
Gonna take my hand
And watch your dreams fold

Yeah, I'm on fire
Yeah, I'm on fire (Right)
This righteous smoke is gonna set your soul on fire (Yeah it will)

(SOLO)

Woa

Woa

Woa

Woa

Yeah, I'm on fire
Yeah, I'm on fire (Right)
This righteous smoke is gonna set your soul on fire (Yeah it will)
This righteous smoke is gonna set your soul on fire (Watch out!)
