Human

Brandy

I've said sorry over a thousand times
Is there anything to say to you to help you dry your eyes?
I will make it all better if I could, I'll help you realize
I cry when you cry, I hurt when you hurt
I make mistakes but I can't turn back time
(I'm only human)
Forgive me
(I'm only human)
Love me
(I'm only human)
Save me, save me from myself
(I'm no super woman)
Embrace me
(I'm fragile and broken)
You're just like me
Oh, I'm perfectly human
(I might have a life)
I'm perfectly human
(But I'm an angel in disguise)
I'm staring in the mirror and a stranger's looking back
What are you afraid of, girl, the future or the past?
If you wanna see inside of me, all you have to do is ask
I cry when you cry, I hurt when you hurt
I've made mistakes but I can't turn back time
I'm only human, forgive me
(I'm only human)
Love me
(I'm only human)
Save me, save me from myself
(I'm no super woman)
Embrace me
(I'm fragile and broken)
Just like you, oh
I'm perfectly human
I might just have a life
I'm perfectly human
But I'm an angel in disguise
Maybe what tears us apart is what
Brings us back together

And everything that makes us different
Really brings us closer
Could you hold me?
(For a little while)
Could you love me?
(Without a doubt)
I need you, I need you
(I'm only human)
Forgive me
(I'm only human)
Love me
(I'm only human)
Save me, save me from myself
(I'm no super woman)
Embrace me
(I'm fragile and broken)
You're just like me
(Oh)
I'm perfectly human
(I might just have a life)
I'm perfectly human
(But I'm an angel in disguise)
We're only human
(Perfectly human, oh)
I might just have a life
I'm perfectly human, oh, oh
(But I'm an angel in disguise)
I'm perfectly human
(Perfectly human, oh)
I might just have a life
Perfectly human
(We're all angels in disguise)
