Fade Into You

Sam Palladio

If you were the ocean and I was the sun
If the day made me heavy and gravity won
If I was the red and you were the blue
I could just fade into you
If you were a window and I was the rain
Iâ€™d pour myself out and wash off the pain
Iâ€™d fall like a tear so your light could shine through
Then Iâ€™d just fade into you

In your heart in your head in your
arms in your bed under your skin

Til thereâ€™s no way to know where
you end and where I begin

If I was a shadow and you were a
street

The cobblestone midnight is where
we first meet

Til the lights flickered out, we
dance with the moon

Then Iâ€™d just fade into you

In your heart in your head in your
arms in your bed under your skin

Til thereâ€™s no way to know where
you end and where I begin

I wanna melt in I wanna soak through
I only wanna move when you move

I wanna breathe out when you
breathe in then I wanna fade into you

If I was just ashes and you were

the ground

And under your willow they laid me
down

Thereâ€™ll be no trace that one was
once two

After I fade into you

(Oooohâ€¦.)

Then Iâ€™d just fade into you (4x)
