Alien She

Bikini Kill

She is me
I am her
She is me
I am her
Siamese twins connected at the cunt
Heartbrainheartbrainheartbrainlunggut
I want to kill her
But I'm afraid it might kill me
"feminist"
"dyke" "whore"
I'm so pretty
Alien
She wants me to got to the mall
She wants me
To put the pretty, pretty lipstick on
She wants me to be like her
She wants me to be like her
I want to kill her
But I'm afraid it might kill me
"feminist"
"dyke" "whore"
Pretty, pretty
Alien
And all I really wanted to know
Who was me and who is she
I guess I'll never know
