

# Alien She

## Bikini Kill

She is me  
I am her  
She is me  
I am her  
Siamese twins connected at the cunt  
Heartbrainheartbrainheartbrainlunggut  
I want to kill her  
But I'm afraid it might kill me  
"feminist"  
"dyke" "whore"  
I'm so pretty  
Alien  
She wants me to got to the mall  
She wants me  
To put the pretty, pretty lipstick on  
She wants me to be like her  
She wants me to be like her  
I want to kill her  
But I'm afraid it might kill me  
"feminist"  
"dyke" "whore"  
Pretty, pretty  
Alien  
And all I really wanted to know  
Who was me and who is she  
I guess I'll never know
