

Suddenly (feat. Weyes Blood)

Drugdealer

Suddenly my mind is open, and I know
you won't be sad in the day Tempted by the morning sun
And I now I feel, like I'm home again Ahh, I'm home again Ahh, I'm home again Suddenly my eyes are open,
and I see you won't be there for me Tempted by the midnight hour
and now I feel, like I'm alone again
Ahh, I'm home again
(ahhh)
(I'm home)
