Blackbird (iTunes Session)

Fat Freddy's Drop

Where there was one before,
now there are many,
and as the days go by,
I see them multiply.
I can't eat, I can't sleep,
because I know the'll be watching me.Descending on the beast,
these shadows keep folding down,
for me.
MmmmmThere's a blackbird,
in my garden,
oh oh oh oh oh oh oh oh oh ohoh ohoh ohohohoho.
There's a blackbird,
in my garden,
oh oh oh oh oh oh oh oh oh ohoh ohoh ohohohoho.Where there was one before, mmm
now there are many,
What are they waiting for,
food I have not to need.
I can't eat, I can't sleep,
because I know the'll be watching me.
Yellow eyes that see right through,
I don't know what I'm supposed to do,
For these blackbirds,
in my garden,
oh oh oh oh oh oh oh oh oh ohoh ohoh ohohohoho.
blackbirds in my garden,
oh oh oh oh oh oh oh oh oh ohoh ohoh ohohohoho.
