

# In Our Eyes (feat. Theresa Wayman)

## Baby Alpaca

I'm wanting you now  
I've wanted you always  
From the very first time  
I saw you in the hallway

Painted pictures  
Inside your locker  
You paint nice pictures  
All cute and awkward

Do you remember  
The very first time you fell?  
Do you remember?  
It wasn't that hard to tell  
The look of love  
In your eyes  
The look of love  
In my eyes  
In our eyes

I'm seeing you now  
I'm kissing you sweetly  
For the very first time  
Your looking and you see me

Polaroid pictures  
Inside your locker  
You take nice pictures  
All cute and awkward

Do you remember  
The very first time you fell?  
Do you remember?  
It wasn't that hard to tell  
The look of love  
In your eyes  
The look of love  
In my eyes  
In our eyes
