Advisory - the following lyrics contain explicit language:

Feed my lung, flower seed  
You are gone and now I'm free  
(I'm free, yeah)  
Strip me down to nothing  
Fuck me we'll free the vulture  
(Make it fly) Burning my brain and burning my teeth  
(In the sun)  
100 degrees and burning my need  
(Make it fly)  
Live the love that I have for you  
Taking your life for want you  
(Free)
