

One Wild Night

Bon Jovi

It's a hot night, the natives are restless
We're sweating by the light of the moon
There's a voodoo mojo brewing at the go-go
That could knock a witch off her broom
We slither on in and shed our skin
Make our way into the bump and the grind
I'm passing by, she gives me the eye
So I stop to give her a light Nah, nah, nah, nah, nah, nah, nah, nah, nah, all right (One wild night)
Blinded by the moonlight
(One wild night)
24 hours of midnight
(One wild night)
I stepped into the twilight zone
And she left my heart with vertigo
One wild, one wild, one wild, one wild night Havin' as much fun as you can in your clothes
Margarita had me feelin' alright
Just might be that I found religion
I've been on my knees for half of the night
I was rolling the bones with Jimmy 'No Dice'
Gonna take him for a couple week's pay
Man, if you lose this roll I take your girlfriend home
So I stopped
Not gonna believe who comes walking out (One wild night)
Blinded by the moonlight
(One wild night)
24 hours of midnight
(One wild night)
I stepped into the twilight zone
And she left my heart with vertigo
(One wild night)
Hey, c'est la vie
(One wild night)
Welcome to the party
(One wild night)
Life is for the living so you gotta live it up
Come on let's go
One wild, one wild, one wild, one wild night Nah, nah, nah, nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah, nah, owwww (One wild night)

Blinded by the moonlight
(One wild night)
24 hours of midnight
(One wild night)
I stepped into the twilight zone
And she left my heart with vertigo
(One wild night)
Hey, c'est la vie
(One wild night)
Welcome to the party
(One wild night)
Life if for the living so you gotta live it up
Come on let's go
One wild, one wild, one wild night
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
(One wild night)
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
(One wild night)(One wild night)
Blinded by the moonlight
(One wild night)
24 hours of midnight
(One wild night)
I stepped into the twilight zone
For one wild, one wild, one wild, one wild night
