

# Young Love (2010 - Remaster)

## Mary Hopkin

They say for every boy and girl  
There's just one love in this whole world  
And I know I've found mineThe heavenly touch of your embrace  
Tells me no one could take your place  
Ever in my heartYoung love, first love  
Filled with deep devotion  
Young love, our love  
We share with deep emotionJust one kiss from your sweet lips  
Will tell me that our love is real  
And I can feel that it's trueFor we will vow to one another  
There will never be another  
Love for you or for meYoung love, first love  
Filled with deep devotion  
Young love, our love  
We share with deep emotionYoung love, first love  
Filled with deep devotion  
Young love, first love  
Filled with deep devotion
