

Night Rally (1997/Live At The Nashville Rooms)

Elvis Costello

I would send out for assistance but there's someone on the signal wire
And the corporation logo is flashing on and off in the sky
They're putting all your names in the forbidden book
I know what they're doing but I don't want to look
You think they're so dumb, you think they're so funny
Wait until they've got you running to the
Night rally, night rally, night rally
Everybody's singing with their hand on their heart, about
Deeds done in the darkest hours
That's just the sort of catchy little melody
To get you singing in the showers
Oh, I know that I'm ungrateful, I've got it
Lying on a plate and I'm not
Buying my share of souvenirs
You can stand to attention, you can
Pray to your uncle
Only get that chicken out of here
Everyone gets armbands and 3-D glasses
Some are in the back room and they're taking those night classes
