

# Sad Song (Live At Manchester Academy)

## Oasis

Sing a sad song in a lonely place  
Try to put a word in for me  
It's been so long  
Since I found the space You better put in two or three  
We as people are just walking 'round  
Our heads are firmly fixed in the ground What we don't see  
Well, it can't be real  
What we don't touch  
We cannot feel Where we're living in this town  
The sun is coming up  
And it's going down  
But it's all just the same  
At the end of the day And we cheat and we lie  
Nobody says it's wrong  
So we don't ask why  
Cause it's all just the same  
At the end of the day We're throwing it all away  
We're throwing it all away  
We're throwing it all away  
At the end of the day If you need it  
Something I can give  
I know I'd help you if I can  
If you're honest  
And you say that you did You know that I would give you my hand  
Or a sad song in a lonely place  
I'll try to put a word in for you Need a shoulder?  
Well, if that's the case  
You know there's nothing I wouldn't do Where we're living in this town  
The sun is coming up  
And it's going down  
But it's all just the same  
At the end of the day When we cheat and we lie  
Nobody says it's wrong  
So we don't ask why  
Cause it's all just the same  
At the end of the day Don't throw it all away  
Don't throw it all away  
Don't throw it all away  
Don't throw it all away Throwing it all away

Throwing it all away  
Throwing it all away Throwing it all away  
Throwing it all away  
You're throwing it all away  
At the end of the day
