

# Vanishing

## Grenjar

If I could recapture  
All of the memories  
And bring them to life  
Surely I would hear the distant laughter  
Wasn't it you and me  
Surviving the night  
You're fading out of my sight  
Swiftly  
You're vanishing  
Drifting away  
You're vanishing  
I was so enraptured  
No sensibility  
To open my eyes  
I misunderstood  
Now you're fading faster  
It's suddenly hard to see  
You're taking the light  
Letting the shadows inside  
Swiftly  
You're vanishing  
Drifting away  
You're vanishing  
You're vanishing  
Drifting away  
Reaching out into the distance  
Searching for spirits of the past  
Just a trace of your existence to grasp  
And if somehow I could recapture  
All of the memories  
And bring them to life  
Lord knows I would  
But now you're fading faster  
Getting so hard to see  
Taking the light  
Letting the darkness inside  
Swiftly  
You're vanishing  
Drifting away

You're vanishing  
You're vanishing  
Drifting so far away  
You're vanishing  
Oh, yeah, away
