

# Hula Rock

Hank Snow

Hawaii's callin' When I hear the rhythm of the hula rock, hula rock  
In the South Pacific where the trade winds blow  
They thought that the hula was a little bit slow  
So they stepped it up with a go go go  
And that's where they got that rock and roll In the South Pacific now they're gettin' with it  
On the beach at Waikaki  
And it's a hula when they try the hula  
With a rockin' rollin' beat Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Don't stop, just let her rock Take me back where the trade winds blow  
To the land of the hula where they never get old  
And the gooney birds dance with a go go go  
And the natives join in with a rock and roll With me, it's a riddle how they break in the middle  
And yet stay on the beat  
But I wanna sway with 'em when I hear the rhythm  
Of the rockin' hula beat Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Rockin' and a rollin' in Waikaki  
Don't stop, just let her rock Hawaii's callin'
