

# It's Not About You

## Scouting for Girls

She said it's not about you  
It's not about you, it's me  
She said it's not about you  
It's not about you, it's me And sometimes it's good  
And sometimes it's bad  
But living with you, well you're driving me mad And sometimes it's good  
And sometimes it's bad  
But living with you is, well it's becoming a drag She's a beautiful smile  
She's the gleam in your eye  
Dresses like a princess  
Playing games in your mind Falling out of her top  
Runs a hand through her hair  
Playing so hard to get  
'Cause she knows that you care I don't know how to love you more, how to love you more  
How to love you more, my friend  
I don't know how to love you more, how to love you more  
How to love you more, my I guess we got, I guess we got  
I guess we got nothing to say  
I guess we got, I guess we got  
I guess we got It's not about you, don't you go  
I guess we got  
It's not about you, don't you go  
I guess we got And sometimes it's good  
And sometimes it's bad  
But living with you, well you're driving me mad  
And sometimes it's good  
And sometimes it's bad  
But living with you, well it's making me sad So is this how it ends? Well nobody knows  
She'll be gone for a year and we'll see how it goes  
Moving out of the flat, slipping right through your hands  
She's a difficult girl and you're a sillier man I don't know how to love you more, how to love you more  
How to love you more, my friend  
I don't know how to love you more, how to love you more  
How to love you more, my I guess we got, I guess we got  
I guess we got nothing to say  
I guess we got, I guess we got  
I guess we got It's not about you, don't you go  
I guess we got  
It's not about you, don't you go

I guess we got Don't you go home, don't you go home  
Don't you leave me on my own  
And sometimes it's good  
And sometimes it's bad  
But living with you, well you're driving me I guess we got, I guess we got  
I guess we got nothing to say  
I guess we got, I guess we got  
I guess we got nothing to say (I guess we got, I guess we got alot)  
Don't you go home, don't you go home  
(I guess we got, I guess we got alot)  
Don't you leave me on my own  
(I guess we got, I guess we got alot)  
Don't you go home, don't you go home  
(I guess we got, I guess we got alot)  
Don't you leave me on my own Don't you go home, don't you go home  
Don't you leave me on my own  
Don't you go home, don't you go home  
Don't you leave me on my own
