

House Of hits (feat. Chief Rocker Busy Bee)

KRS-One & Marley Marl

Yes, yeah, it's chief rocker, Busy Bee
Y'all don't know what time it is right now
I got my main man Marley Marl
My motherfuckin' main man, KRS-One the teacher
We gettin' ready to do a little history in here
Y'all don't know what time it is
History is in the makin', work it out Where's that place we work it out?
Hey, the House of Hits, we work it out
Where's that place we work it out?
Hey, the House of Hits, we work it out I said, "Where's that place we work it out?"
Hey, the House of Hits, we work it out
Where's that place we work it out?
Hey, the House of Hits, we work it out And when it's time to work it out
We take 'em straight down to the house
And blow some, that jingle-jang, jingle
Yeah, chief rocker, Busy Bee Check my lingo, check what Busy Bee brings you
Check out the lyrics I sing you
I fly through the hood like chicken wings do
Like a chef Marley likes mixin' things too We came together just to change the weather
Busy Bee, he made this game remember?
These unoriginal rap flows, I don't speak those
Too many rappers just copy like Kinko's Dressin' like they from office depot
Tryin' to be CEO's with whack weak flows
I teach those that flow how to be better
I train MC's to gain in any endeavor But if you tryin' to diss, you'll get dismissed from the class
In other words, I'm kickin' yo' ass
Beats, bars and breaks, really that's it
And you get that sound at the House of Hits Where's that place we work it out?
Hey, the House of Hits, we work it out
Where's that place we work it out?
Hey, the House of Hits, we work it out I said, "Where's that place we work it out?"
Hey, the House of Hits, we work it out
Where's that place we work it out?
Hey, the House of Hits, we work it out And when it's time to work it out
We take 'em straight down to the house
And blow some, that jingle-jang, jingle Yo, look, look
KRS reportin' from the House of Hits kids
'Cause in the future you gonna doubt it existed
Comin' up the block your whole spirit gets lifted

The whole spot designed for the lyrically gifted
 You walk in the spot, you walk in the history
 This is where the greatest MC's spit it lyrically
 I don't think you hearin' me today
 Big Daddy Kane, Rakim, LL Cool J
 Cool G. Rap, Roxanne Shante
 Craig G, man, what else can I say?
 The home of hits, where one spits and records
 In the other room we live on the broadcast boards
 The internet's hooked up with all these cords
 And the outboard gear man you can't afford
 You can rest assured we comin' out with it
 KRS, Busy Bee at the House of Hits
 Where's that place we work it out?
 Hey, the House of Hits, we work it out
 I said, "Where's that place we work it out?"
 Hey, the House of Hits, we work it out
 I said, "Where's that place we work it out?"
 Hey, the House of Hits, we work it out
 Where's that place we work it out?
 Hey, the House of Hits, we work it out
 And when it's time to work it out
 We take 'em straight down to the house
 And blow some, that jingle-jang, jingle
 And ba bah-ba bah-ba-da-dang-a-dang-diggy-diggy
 Ba bah-ba bah-baba-da-dang-a-dang-diggy-diggy
 Ba bah-ba bah-baba-da-dang-a-dang-diggy-diggy
 Ba bah-ba bah-baba-da-dang-a-dang-diggy-diggy
 Ba bah-ba bah-baba-da-dang
