Check this out playa  
These niggas be quick to check another playa  
Ya know what I'm sayin'?  
But see that big booty bitch them niggas be rollin' with? That bitch that they be buyin' all that jewelry for  
And gettin' they hair fixed  
That's goin' be that bitch that's gonna get 'em killed  
If they don't watch what they doin' Ya know what I'm sayin'?  
See what I'm sayin' though  
You gotta watch these  
Old Cornroll head ass bitches man Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes Some of these hoes jack, Wendy look cool but this is a bad move  
Jump in your Benz and pick up another dude  
Ain't that some shit G that bitch say she loves you now she loves me  
And the game get wicked She only fuckin' with a nigga 'cause you slangin' chicken  
And if you was broke, you would know  
That bitch only hangin' with a nigga 'cause he slang dough  
And wipe off that devilish grin 'cause when you dead And gone she'll be fuckin' your best friend  
Now, that's kinda hectic, make me wanna pop  
A bitch neck and move back to Texas Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes Um, well some of these niggas will jack but these hoes a jack too  
They be like lemme borrow your pencil so you can jack who  
Now, um what, a nigga like me TRU  
So I don't play that game that you hoes play But I won't stay where you stay  
Now, this be the time where the 9 be like buckin'  
I gots no time to play I use these hoes when I be duckin'  
Fuck what, these hoes be like scandalous, I don't understand it Niggas be ridin' by my SEL, some of these hoes  
be like man it  
When Silkk be at the crib countin' my stack up  
Bangin' my sacks up, you hoes better back up  
Before I leave you jacked up Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes Do you see what I see? Along with Silkk and P  
Do you know what I know? Definitely not click clack goes that glock  
I'll be damned if I'm gonna let some hoe hit me for my Prego notes

Once I hit that G spot, you know I'm long like some stretch pots  
I ain't trippin' if some hoes look like Robin  
Givens  
I'm shootin' a three to the grill like Scottie Pippen  
Hell yeah, I'm trippin'  
My homie got his wig split on a pussy trip  
Since then hoes and money and pussy can never be my friend  
We can fuck till the end and when the mornin' comes  
If you flakin' bitch I'm a leave  
Your whole fuckin' body shakin'  
Damn, y'all niggas better be  
Watchin' these old bitches  
That be tryin' to get a nigga  
For cabbage and cornbread  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Now, since I'm gettin' paid a gang of bitches wanna sweat me  
Claimin' that they pregnant and them hoes just met me  
I hate to bust your bubble and I hope your not embarrassed  
But I only fucked you once so why you talkin' 'bout marriage  
I only hit and run bitch, I'm too young to chill  
And I never say I love ya 'cause I know it ain't for real  
So chill with that dumb shit 'cause I'm the one that run shit  
And I ain't even try to hear that stupid shit you come with  
Dumb bitch, I guess  
You figure I'm a pimp right  
So don't playa hate me  
Bitches get your shit tight  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes  
Fools PH'in', rollin' on Dayton's  
But you better watch dees hoes
