

# This Is My Goodbye (Radio Edit Usa) [feat. Fenja]

## Antoine Clamaran

Call me a quitter  
Call me a fool  
I'll roll with the punches baby  
Do what I need to do  
Enough with the cryin'  
Enough with the blame  
I'm not a coward,  
I just don't see any point to this game I say it's over  
You say it's not  
Baby I already know this  
Cause I gave you everything that I got  
Maybe it's you, you, yeah you  
But mostly it's me  
See I need some time to myself  
Indefinitely This is my goodbye, whoa whoa oh  
I tried to let you down easy, easy, easy, easy, easy  
This is my goodbye, whoa whoa oh  
No it wasn't easy, easy, easy, easy, easy Call me a faker  
Call me a jerk  
I'm sorry you're hurtin'  
But there's no way I can make this thing work  
I'm not gonna settle  
And neither should you  
So find someone better, go on  
Be strong, don't be a fool I say it's over  
You say it's not  
Baby I already know this  
Cause I gave you everything that I got  
Maybe it's you, you, yeah you  
But mostly it's me  
See I need some time to myself  
Indefinitely This is my goodbye, whoa whoa oh  
I tried to let you down easy, easy, easy, easy, easy  
This is my goodbye, whoa whoa oh  
No it wasn't easy, easy  
It wasn't easy, easy
