

# All The Pretty Things

## Tenth Avenue North

We are, we are, we're caught in the in between  
Of who we already are and who we are yet to be  
And we're looking for love but finding we're still in need  
It's only what we have lost will we be allowed to keep And we're waiting but our eyes are wandering  
To all this earth holds dear Look at all the pretty things  
That steal my heart away  
I can feel I'm fading  
Cause Lord I love so many things  
That keep me from Your face  
Come and save me We run we run to finally be set free  
But we're fighting for what we already received So we're waiting but our eyes are wandering  
To all this earth holds dear Look at all the pretty things  
That steal my heart away  
I can feel I'm fading  
Cause Lord I love so many things  
That keep me from Your face  
Come and save me We are we are caught in the in between  
But we're fighting for what we already have received  
We are we are caught in the in between  
But we're fighting for what we already have received Look at all the pretty things  
That steal my heart away  
I can feel I'm fading  
Cause Lord I love so many things  
That keep me from Your face  
Come and save me
