

Daze

Wallis Bird

Hold it down
Seems just all I ever do
Chasing time I've given all of it to you And now I'm hanging on a leash you're holding
I never wanted unrequited love
And if you hold it tight
I might be gone tonight The, the daze, the daze, the daze keep rolling away like my brain, I'm not the same
Now I'm all about you
Everytime I think I know I'm thinking 'bout you
The, the daze, the daze, the daze keep rolling away like my brain, I'm not the same
Now I'm all about you
Everytime I think I know I'm thinking 'bout you
Hold my mouth
'Cause I'm scared of what I'll say
Your deepest eyes
They're giving all of it away I never wanted unrequited
Love so long, so long now
I'm holding on the leash
You store 'round your wrist
'Cause it was holding me back But it's just me, it's just me, I've only got myself today
But now they're going for coming for even believing you felt the same The, the daze, the daze, the daze keep
rolling away like my brain, like I'm not the same
Now I'm all about you
Everytime I think I know I'm thinking 'bout you
I'm in the daze, the daze, the daze keep rolling away like my brain, I'm not the same
Now I'm all about you
Everytime I think I know I'm thinking 'bout you
The, the daze, the daze, the daze keep rolling away like my brain, I'm not the same
Now I'm all about you
Everytime I think I know I'm thinking 'bout you I'm thinking 'bout you
The daze, the daze, the daze, the daze, the da-da-daze
Everytime I think I know I'm thinking 'bout you
Everytime I think I'm gonna need to leave town
