

Poison Prince

[Amy MacDonald](#)

A poetic genius is something I don't see
Why would a genius be tripping on me?
And he's looking at me now but what he can't see
Is that I'm looking through his eyes, so many lies behind his eyes And tell me stories from your past
Then sing me songs you wrote before
I tell you this my poison prince
You'll soon be knocking on heavens door Some kinda poison prince with your eyes in a daze
Some kinda poison prince, your life is like a maze
And what we all want and what we all crave
Is an upbeat song so we can dance the night away Oh, who said life was easy? Who said life was fair?
Who said nobody gives a damn and nobody even cares?
The way you're acting now like you left that all behind
You've given up, you've given in, another sucker of that slime Some kinda poison prince with your eyes in a
daze
Some kinda poison prince, your life is like a maze
And what we all want and what we all crave
Is an upbeat song so we can dance the night away Some kinda poison prince with your eyes in a daze
Some kinda poison prince, your life is like a maze
And what we all want and what we all crave
Is an upbeat song so we can dance the night away
