

Can't Fall in Love

Jay Sean

I just can't fall in love
I'm lying in the wrong bed
You got me thinking with the wrong head
And I thought that the heart was supposed to be just for her and not for you girl
I shouldn't feel what I feel when I look in your eyes
Shouldn't go where we go when we turn off the lights
I can't believe I'm cheating, and maybe that's why I just can't fall in love
So put your sho-o-o-es back on, I'll
put my sho-o-o-es back on
And girl this never happened, and don't say that you fell in love
You know I can't love you back, cause I got my baby waiting
And I can't do it like that, I just can't fall in love
So if I never call you back, well baby there's a chance I'm taken.
And I can't do it like that,
No, I just can't fall in love
Girl I wish I never met you, cause now I just gotta forget you yeah
Oh and every time I touch her, I'll be thinking about the things we used to do.
Shouldn't feel what I feel when I look in your eyes,
Shouldn't go where we go when we turn off the lights
You know exactly why I'm leaving,
Maybe that's why I just can't fall in love(a)
So put your sho-o-o-es back on, I'll put my sho-o-o-es back on
And girl this never happened, and don't sat that you fell in love
You know I can't love you back, cause I got my baby waiting
And I can't do it like that, I just can't fall in love
So if I never call you back, well baby there's a chance I'm taken
And I can't do it like that, I just can't fall in love
You got me sprung, I can't deny, I can not hide
I just can't fall in love
You got me sprung, I can't help myself, I know that I can't
I just can't fall in love
You know I can't love you back, cause I got my baby waiting
And I can't do it like that,
Oh I just can't fall in love
So if I never call you back, well baby there's a chance I'm taken
And I can't do it like that, I just can't fall in love
You know I can't love you back,
Cause I got my baby waiting
And I can't do it like that, I just can't fall in love
