

# Our Story

[Ryan Cabrera](#)

This time I'll think of brighter days  
Where I'm falling deep, deep inside our story  
I'm counting on something I can feel  
I won't fall asleep, 'cause even if I'm hurting  
I'm waitin' on the one for me It's a good day for me  
It's a good day to take a chance  
And let you in and see exactly who I am  
And if you understand me  
And if you can roll with it, I will be your man Around me lies but no one seems to mind  
I can't change time for anyone to show me  
That love is real, you know I'll find a way  
I won't be scared to let her in and love me  
Is there anyone in love with me It's a good day for me  
It's a good day to take a chance  
And let you in and see exactly who I am  
And if you understand me  
And if you can roll with it, I will be your man It's a good day for me  
It's a good day to take a chance  
And let you in and see exactly who I am  
And if you understand me, oh yeah  
And if you can roll with it, yeah And let you in and see exactly who I am  
And if you understand me  
And if you can roll with it, I will be your man
