

Help Me

Canned Heat

Help me darlin' I can't do it by myself
Help me darlin' I can't do it by myself
You can help a woman and gonna get me somebody else
Walk with me darlin' I wanna talk to you some time
Walk with me darlin' I wanna talk to you some time
Long walk with me darlin' long consolate weary mine
The sun gonna shine in my back door some day

Sun gonna shine in my back door some day
Long the moon come along Lord take all my troubles away
Lord bring me my nature get you're all morning gown
Lord bring me my nature get you're all morning gown
Lord soothes for money and you no wanna shake
The morning gown
