

Back From the Dead

Skillet

B-b-b-b-back-back-back
B-b-b-b-back-back-back
B-b-b-b-back-back-back Cold and black inside this coffin
'Cause you all try to keep me down
How it feels to be forgotten
But you'll never forget me now Enemies clawing at my eyes
I scratch and bleed, just to stay alive, yeah
The zombies come out at night
They'll never catch me
They'll never catch me
B-b-b-b-back-back-back
B-b-b-b-back-back-back Light it up, light it up, now I'm burning
Feel the rush, feel the rush of adrenaline
We are young, we are strong, we will rise
'Cause I'm back, back, back from the dead tonight
To the floor, to the floor, hit the red line
Flying high, flying high at the speed of light
Full of love, full of light, full of fight
'Cause I'm back, back, back from the dead tonight B-b-b-b-back-back-back
B-b-b-b-back-back-back Break the skin, spread like poison
Dying slow when we all attack
How it feels to be the broken
You took a piece now I'm biting back Enemies clawing at my eyes
I scratch and bleed, just to stay alive, yeah
The zombies come out at night
They'll never catch me
They'll never catch me
B-b-b-b-back-back-back
B-b-b-b-back-back-back Light it up, light it up, now I'm burning
Feel the rush, feel the rush of adrenaline
We are young, we are strong, we will rise
'Cause I'm back, back, back from the dead tonight
To the floor, to the floor, hit the red line
Flying high, flying high at the speed of light
Full of love, full of light, full of fight
'Cause I'm back, back, back from the dead tonight
Back, back, back from the dead tonight Deep down, for the count, don't you dare cut me out
Never break, never bow
Never beg, not a doubt The zombies come out at night

They'll never catch me
They'll never catch me
B-b-b-b-b-back-back-back
B-b-b-b-b-back-back-back
B-b-b-b-b-back-back-back
B-b-b-b-b-back-back-backLight it up, light it up, now I'm burning
Feel the rush, feel the rush of adrenaline
We are young, we are strong, we will rise
'Cause I'm back, back, back from the dead tonight
To the floor, to the floor, hit the red line
Flying high, flying high at the speed of light
Full of love, full of light, full of fight
'Cause I'm back, back, back from the dead tonight
Back, back, back from the dead tonight(B-b-b-b-b-back-back-back) dead tonight
(B-b-b-b-b-back-back-back) back from the dead tonight
(B-b-b-b-b-back-back-back) dead tonight
(B-b-b-b-b-back-back-back) back from the dead tonight
