Troubled Times

Screaming Trees

Lay it to rest
You know my word ain't the best
It's just another question of faith
That I must take
Till it's laid to waste
Laid to waste, ohI stood and I watched you weep
Until I'm gone you're sure to cry some more
I stayed, lit a cigarette
I thought we'd been here some time beforeBooked and I got to hurry
Troubled times and worry
Turn your head away
Swear to you now I'm learning
Troubled times are turning
Turn your head awayShe said that it's five a.m.
I think it's time for you to go
Got to hurry, got to get on board
And drink myself to sleep at homeBooked and I got to hurry
Troubled times and worry
Turn your head away
Swear to you I'm learning
Troubled times are turning
Turn your head awayShimmy on down, baby
Shimmy on down, baby
Shimmy on down, baby
Shimmy on down, babyBooked and I got to hurry
Troubled times and worry
Turn your head away
Swear to you I'm learning
Troubled times are turning
Turn your head awayBooked and I got to hurry
Troubled times and worry
Turn your head away
Swear to you I'm learning
Troubled times are turning
Turn your head awayShimmy on down baby
Shimmy on down baby
Shimmy on downLay it to rest
You know my love ain't the best
This is just another question of taste

That I must take
Till it's laid to waste
