

# Two Babies in the Dark

## Bad Religion

There's a light on in the hallway  
So I can't understand  
Why you hide underneath the covers  
There's a baby in your womb So don't be scared tonight  
Because Raggedy Ann is in the closet picking posies  
Two babies in the dark  
Like diamonds in the sand While pap's far away making children's stories  
The little one's inside  
So afraid to be alone  
She's trying to brave until the daddy comes home So if you chance to see her  
Please tell her it's alright  
'Cause everyone fights the tendency to snap  
Sometimes it's not a matter Of being brave and strong  
'Cause noises in the house are terrifying  
I'll put you to sleep at night  
Like a foreign movie I'll sing you lullabies  
And I'll teach you about everything  
And I'll only ask you one thing  
Please save me
