

Stickshifts And Safetybelts

Cake

Stickshifts and safetybelts
Bucket seats have all got to go
When we're driving in the car
It makes my baby seem so far I need you here with me
Not way over in a bucket seat
I need you to be here with me
Not way over in a bucket seat But when we're driving in my Malibu
It's easy to get right next to you
I say, "Baby, scoot over, please"
And then she's right there next to me I need you here with me
Not way over in a bucket seat
I need you to be here with me
Not way over in a bucket seat Alright
Well a lot of good cars are Japanese
Yeah, but when we're driving far I need my baby
I need my baby next to me Well, stickshifts and safetybelts
Bucket seats have all got to go
When we're driving in the car
It makes my baby seem so far I need you here with me
Not way over in a bucket seat
I need you to be here with me
Not way over in a bucket seat Alright
Alright
