

# Falling

**Ben Kweller**

Advisory - the following lyrics contain explicit language:

Wind is cold alright back in Dallas  
The neon light from the building lets you know you're home  
You'd go way back when if you wanted to be my friend or you'd call me  
I'd understand, it's true I don't feel like I'm falling  
No, I don't feel like I'm falling  
No, I don't feel like I'm falling down  
Just say hello to the ground Wait there, I'll be right back down in Times Square  
It's a heart attack, all the feeling  
It makes you feel so new, yeah, trees fall and so do men  
Even the walls start caving in and you feel like there's no pretend for you I don't feel like I'm falling  
No, I don't feel like I'm falling  
No, I don't feel like I'm falling down  
Just say hello to the ground We could talk if days weren't so fast  
And mistakes just leave it so unsure  
Wanna hold you like never before  
'Cause we're falling and I love you more and more Do you feel like you're falling down?  
Do you feel like you're falling down?  
I don't feel like I'm falling, falling, falling down I don't feel like I'm falling  
No, I don't feel like I'm falling  
No, I don't feel like I'm falling down  
Just say hello to the ground I don't feel like I'm falling  
No, I don't feel like I'm falling  
No, I don't feel like I'm falling down Do you feel like you're falling down?  
Do you feel like you're falling down?  
I don't feel like I'm falling, falling, falling  
Just say hello to the ground
