

# Tatooine

**Jeremy Messersmith**

Twin suns of Tatooine  
Taught me everything I know  
Twin suns of Tatooine  
Taught me everything I know There's room up there for second chances  
Singles are fine but doubles are fantastic  
I'd like to think that there's a star for me and you  
Spinning round, falling for one another Twin suns of Tatooine  
Taught me everything I know  
Twin suns of Tatooine  
Taught me everything I know Solos are fine but duets are romantic  
A pair is grand but a trio'd be disastrous  
I'd like to think that there's a star for me and you  
Spinning round, falling for one another
