

Melody Fair

Bee Gees

Who is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any lineMelody Fair, won't you comb your hair?
You can be beautiful too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girlWho is the girl at the window pane
Watching the rain falling down?
Melody, life isn't like the rain
It's just like a merry go roundMelody Fair, won't you comb your hair?
You can be beautiful too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girlWho is the girl with the crying face
Looking at millions of signs?
She knows that life is a running race
Her face shouldn't show any linesMelody Fair, won't you comb your hair?
You can be beautiful too, too, too, too, too
Melody Fair, remember you're only a woman
Melody Fair, remember you're only a girl
