Awakening

Seven Places

Jesus Christ, our Savior who is the propitiation
The satisfaction if you would, for our sins
And not just for our sins but for the sins of the whole world
The blood of Jesus Christ flowed
From seven places
The first place He bleed from
The blood that poured from His head that day
The blood from the thorns in His skull
Cleanse you from thoughts, the blood that was on His face
He has covered the things
That you may not want to face up to
Because of what you've seen or heard
Know this, the blood flowed for you
"Yeah, but Jon, you just don't know I've backed away
From the Lord, I've turned my back on him"
Well, they took a flagellum and they beat His back
And blood flowed from His back
It reduced to hamburger meat that day
His back was beaten so brutally
And if you've turned your back on Him
And walked away from Him, know this
The blood, the blood that poured from His back
Cleanses you sprinkles you
"Yeah but Jon, you just don't
Know what I've done with these hands"
Those hands were pierced
Those hands were pinned to the tree

Spikes driven through those hands
Where He bled to cleanse you and cleanse me
From the stuff that we've handled
That we ought not to have handled
The stuff that we've done that we
Ought not to have done
Hey, understand, the blood flowed from His hand
"Yeah but it's stuff that's inside of me Jon
It's just things that I feel in my gut
I have bitterness towards them and I'm angry with her"
Jesus wants you to know that blood flowed from His side

When they thrust that spear into Him
When He hung on the cross
"Feet that walked where I ought not to have walked"
Blood flowed from His feet too
When the spike pinned Him through the feet
To the cross of Calvary
And now I realize things that I can't face up to
Thoughts that I've had that are not right, not good, not true
Bitterness inside of me
Stuff I've touched that I ought not to touch
Places I've gone where I ought not to have walked
And I look and I realize the seven-fold
Flowing of the blood of Christ cleanses me in every area
From all sin and I'm free and I'm forgiven by the blood
What can wash away my sin, nothing but the blood of Jesus
Seven times perfection, seven places
That's what He went through for me and for you
