## Seven Places

Jesus Christ, our Savior who is the propitiation  
The satisfaction if you would, for our sins  
And not just for our sins but for the sins of the whole world  
The blood of Jesus Christ flowed  
From seven places  
The first place He bleed from  
The blood that poured from His head that day  
The blood from the thorns in His skull  
Cleanse you from thoughts, the blood that was on His face  
He has covered the things  
That you may not want to face up to  
Because of what you've seen or heard  
Know this, the blood flowed for you  
"Yeah, but Jon, you just don't know I've backed away  
From the Lord, I've turned my back on him"  
Well, they took a flagellum and they beat His back  
And blood flowed from His back  
It reduced to hamburger meat that day  
His back was beaten so brutally  
And if you've turned your back on Him  
And walked away from Him, know this  
The blood, the blood that poured from His back  
Cleanses you sprinkles you  
"Yeah but Jon, you just don't  
Know what I've done with these hands"  
Those hands were pierced  
Those hands were pinned to the tree  
  
Spikes driven through those hands  
Where He bled to cleanse you and cleanse me  
From the stuff that we've handled  
That we ought not to have handled  
The stuff that we've done that we  
Ought not to have done  
Hey, understand, the blood flowed from His hand  
"Yeah but it's stuff that's inside of me Jon  
It's just things that I feel in my gut  
I have bitterness towards them and I'm angry with her"  
Jesus wants you to know that blood flowed from His side

When they thrust that spear into Him  
When He hung on the cross  
"Feet that walked where I ought not to have walked"  
Blood flowed from His feet too  
When the spike pinned Him through the feet  
To the cross of Calvary  
And now I realize things that I can't face up to  
Thoughts that I've had that are not right, not good, not true  
Bitterness inside of me  
Stuff I've touched that I ought not to touch  
Places I've gone where I ought not to have walked  
And I look and I realize the seven-fold  
Flowing of the blood of Christ cleanses me in every area  
From all sin and I'm free and I'm forgiven by the blood  
What can wash away my sin, nothing but the blood of Jesus  
Seven times perfection, seven places  
That's what He went through for me and for you
