Don't Run Away

Tyler James Williams

Yeah yeah yeahHer beauty's crazy
I watch her from the crowd
Her voice is so amazing
She make her momma proud
I tried to send her flowers
But she has no address
Her home is in my heart
It's like she never leftThis is more than a crush
More than a like like more than a love
Baby I'ma make you mine
And I ain't giving upThis is more than a crush
More than a like like more than a love
Baby I'ma make you mine
And I ain't giving upDon't run away
Don't run away from the truth
'Cause I'm not giving up on you
Don't run away
Don't run away from the truth
'Cause I'm not giving up on youShawty you got fire
But I'm preaching to the choir
I know you know
The whole world is watching you, soDon't run away
Don't run away from the truth
'Cause I'm not giving up on youUh, they say true love is blind
That real romance is timeless
You're like my favorite movie
Play it and rewind it
'Cause baby you're the finest
Your love I'm gonna find it
And when I do, I'll run away with you
Somewhere where they can't find usThis is more than a crush
More than a like like more than a love
Baby I'ma make you mine
And I ain't giving upThis is more than a crush
More than a like like more than a love
Baby I'ma make you mine
And I ain't giving upDon't run away
Don't run away from the truth
'Cause I'm not giving up on youDon't run away

Don't run away from the truth
'Cause I'm not giving up on youShawty you got fire
But I'm preaching to the choir
I know you know
The whole world is watching you, soDon't run away
Don't run away from the truth
'Cause I'm not giving up on youNormally I couldn't turn your head
That's why I had to write this instead
Let's be friends, start out slow
Get to know you beyond your glow
You're more than meets the eye
Girl you pterodactyl fly
Way back when you knew my name
The truth is what I bringDon't run away
Don't run away from the truth
'Cause I'm not giving up on youDon't run away
Don't run away from the truth
'Cause I'm not giving up on youShawty you got fire
But I'm preaching to the choir
I know you know
The whole world is watching you, soDon't run away
Don't run away from the truth
'Cause I'm not giving up on you
