Say You Won't Let Go

James Arthur

I met you in the dark, you lit me up
You made me feel as though I was enough
We danced the night away, we drank too much

I held your hair back when

You were throwing upThen you smiled over your shoulder

For a minute, I was stone-cold sober

I pulled you closer to my chest

And you asked me to stay over

I said, I already told ya

I think that you should get some restI knew I loved you then

But you'd never know

'Cause I played it cool when I was scared of letting go

I know I needed you

But I never showed

But I wanna stay with you until we're grey and old

Just say you won't let go

Just say you won't let goI'll wake you up with some breakfast in bed

I'll bring you coffee with a kiss on your head

And I'll take the kids to school

Wave them goodbye

And I'll thank my lucky stars for that nightWhen you looked over your shoulder

For a minute, I forget that I'm older

I wanna dance with you right now

Oh, and you look as beautiful as ever

And I swear that everyday you'll get better

You make me feel this way somehowI'm so in love with you

And I hope you know

Darling your love is more than worth its weight in gold

We've come so far my dear

Look how we've grown

And I wanna stay with you until we're grey and old

Just say you won't let go

Just say you won't let goI wanna live with you

Even when we're ghosts

'Cause you were always there for me when I needed you mostI'm gonna love you till

My lungs give out

I promise till death we part like in our vows

So I wrote this song for you, now everybody knows

'Cause now it's just you and me till we're grey and old

Just say you won't let go Just say you won't let goJust say you won't let go Oh, just say you won't let go
