Yeah, yeah, yeah, yeahHey, everyone
I think I'll take this time to have some fun
I know we've just begun
I think I'll go ahead and play my guitar someYeah, yeah, yeah, yeahHey, now's your chance
You've even got the perfect circumstance
If you can't find someone to dance
Just move your hips, baby, and shake your handsYeah, yeah, yeah, yeahHey, grab a hold
Hold me tight and squeeze me till my love runs cold
Hey, it's alright
Up and down and in and out and out of sightYeah, yeah, yeah, yeahHey, everyone
You know the blues has got me on the run
My guitar's got a rockin' tone
And we're just gonna keep on partyin' hardYeah, yeah, yeah, yeahYeah, yeah, hey
Yeah, yeah, hey
Yeah, yeah, hey
Yeah, yeah, hey
Yeah, yeah, hey
Yeah, yeah, hey
Yeah, yeah, hey
Yeah...
