

# Velvet Dreams

[John Rowe](#)

I wipe the dust from my shoulders, the dust from velvet  
sands. In dreamland of non-divine, free of all space and time.  
I watch across the fields, the fields of forever.  
And as the sand turns to stars in my eyes...I'm no longer  
blind. Start to wqlk through landscapes of frozen glass.  
The velvet sands reflect me like a mirror.  
My skin is pale blue but feel my body burning with fever.  
I see myself in velvet sand, what am I? Human, soul or  
Demon?? Embodied emotions, infinite. Eternal sleep awaits  
Me as I am DREAMING VELVET DREAMS, CRYING PURPLE  
TEARS, I CHANGE. LAUGHTER TURNS TO HATE. BLOOD-  
DROWNED ARE MY THOUGHTS. THE RAINBOW TURNS ALL RED.  
I BURN I'M IN FIRE BURNED BY VELVET DREAMS. I stole thru  
The infinite garden af neverending frost.  
Unblessed, unpure. Here I am, my own god and master.  
Everything is soft like velvet, but the velvet dreams obscure  
my mind. I pick are so black but I am scared by the  
thorns. And it feels like I was in fire. Burned by velvet  
dreams. That seems so safe...  
Bless me. Caress me. Take away my fears.  
Thru the pain in velvet dreams, wipe away my purple tears.  
Burn me, turn me. Make me one with the other side.  
Healed by the burning in velvet dreams, with the dead now I  
Ride. Embodied emotions, infinite. Sleep awaits no longer  
nevermore shall I... DREAM THOSE VELVET DREAMS, CRY  
THOSE PURPLE TEARS. NEVER, NEVERMORE. I STAND ABOVE  
DIVINE. GOD OF NONE AND ALL. KNOWLEDGE BEYOND. THE  
RAINBOW AND THE STARS. NEVERMORE SHALL I. DREAM  
THOSE VELVET DREAMS, CRY THOS PURPLE TEARS. NEVER,  
NEVERMORE. I STAND ABOVE DIVINE. GOD OF ALL AND NONE.  
KNOWLEDGE BEYOND. THE RAINBOW AND THE STARS.  
Now I am the unknown that you love. God of none and all.
