

Where I Live

Sicko

I've got a fear of enclosed places
crowded rooms and unknown faces
 people staring down at me
 I wonder what do they see?
 And I avoid them at all cost
 to the point of getting lost
 they make me want to run away
 I don't want to play
 Don't think I want to know
 where all my time will go
I've got enough to worry about as it is
 Don't think I want to go
 everywhere I know
I've got enough to do right here where I liveI'm afraid of being lame
 I always want to play the game
 my fears they are always colliding
 I find myself sliding
 tonight you're sitting at home
 watching TV by the phone
 wasting time once again
I'm not coming inDon't think I want to know
 where all my time will go
I've got enough to worry about as it is
 Don't think I want to go
 everywhere I know
I've got enough to do right here where I live
