

# Right Between the Eyes

## Wax

True love for me was nothing but a mystery  
Just something only captured in a dream  
Oh, then suddenly  
It was hitting me  
Right between the eyes  
Uh huh

I wasn't looking for a love explosion  
But I must have been a target my oh my  
'Cause when I least expected it  
Took a direct hit  
Right between the eyes, uh huh

You, you shattered my resistance, yes its true  
You battered my defence, what could I do?  
I'm running from the heat between me and you

You hit me with a million volts  
Nailed me with a lightning bolt  
Oh, baby, you knocked me cold (knocked me cold)  
Your love zapped me, right between the eyes

Now nothing's going to cool down my desire  
'Cause I'm jumpin' from the fat into the fire  
Love bug has bitten me  
And you're hitting me  
Right between the eyes

And now, each time I think about you, I don't know how  
I ever did without you, spin me 'round  
And I'll never get my feet back on the ground

You hit me with a million volts  
Nailed me with a lightning bolt  
Oh, baby, you knocked me cold (knocked me cold)  
Your love zapped me, right between the eyes, yeah

Oh, the power of your love is much too strong  
You turn me on

You hit me with a million volts  
Nailed me with a lightning bolt  
Oh, baby, you knock me cold (knocked me cold)  
Well, your love zapped me, right between the eyes  
You hit me with a million volts  
Nailed me with a lightning bolt  
Oh, baby, you knock me cold (knocked me cold)  
Your love zapped me, right between the eyes
