Needle in a Haystack

The Velvelettes

Well, well, I once believed all fellas were nice (Doo-da-lang)
But, girls, listen to me, take my advice (Doo-da-lang)
Girls, you'd better get yourselves onto my track
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)
(She-doop, she-doop, la-la)
(She-doop, she-doop, la-la)Girls, those fellas are sly, slick and shy
So don't you ever let 'em get you starry-eyed
Well, you may think their love is true
But they'll walk right over you
Now, girls, you should know these things right off the back
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)
(She-doop, she-doop, la-la)
(She-doop, she-doop, la-la)Now, girls, I say I'm tellin' you the natural facts
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)I'm tellin' you, girls, you'd better look before you leap
Still water sometimes runs very deep
You'll be sorry when you just jump
And do justice passed by love
Girls, you should know these things right off the back
'Cause findin' a good man, girls, is like findin' a
(Needle in a haystack)
What did I say, girls? (Needle in a haystack)
