Ije dashi chulbariyaNow we can fly now we can fly
Now we can fly now we can fly[Translation]In the identical days, I am being confined
Covering your eyes, holding to my bodyThe everyday struggle makes me can't breathe
You are tired too, tired just like meFree yourself now, it is the time to leave
I want to go this very moment, I really want to go with youNo matter where and when, nothing matters
As long as I am with you, as long as I am flying with youNow we can fly, now we can fly
Now we can fly, now we can fly
Fly up even fasterNow we can fly, now we can fly
Now we can fly, now we can fly
Walking on the cloudsNow we can fly, now we can fly
Now we can fly, now we can fly
Let's embark now againNow we can fly, now we can fly
Now we can fly, now we can flyFly better fly, stretch out the wings that was hidden
Fly better fly, ride on the wind and rise highFly high make it high, go till I touch that sun with my hands
Can go wherever you want with SS501There are many other worlds out there
I want to know more, I want to see moreFull of curiosity, you are laughing
There aren't any fear, only new thingsWhy be surprised now, that is too early
There are much more days to come, much more to seeNo matter where and when, nothing matters
As long as I am with you, as long as I am flying with youNow we can fly, now we can fly
Now we can fly, now we can fly
Fly up even fasterNow we can fly, now we can fly
Now we can fly, now we can fly
Walking on the cloudsNow we can fly, now we can fly
Now we can fly, now we can fly
Let's embark now againNow we can fly, now we can fly
Now we can fly, now we can flyFly better fly, stretch out the wings that was hidden
Fly better fly, ride on the wind and rise highFly high make it high, go till I touch that sun with my hands
Can go wherever you want with SS501Now we can fly, now we can fly
Now we can fly, now we can fly
Fly up even fasterNow we can fly, now we can fly
Now we can fly, now we can fly
Walking on the cloudsNow we can fly, now we can fly
Now we can fly, now we can fly
Let's embark now againNow we can fly, now we can fly
Now we can fly, now we can flyNow we can fly, now we can fly
Now we can fly, now we can fly
