Advisory - the following lyrics contain explicit language:

Tell me tell me is life just a playground
Think you're the real deal honey
And someone'll always look after you But wake up baby
You're so totally deluded
You'll end up old and lonely
If you don't get a bullet in your head Good luck good luck
Good luck in your new bed
Enjoy your nightmares honey
When you're resting your head You sold me sold me
Sold me down the river now
Hope you're feeling happy now
Now you'll always have a sneer in your smile But wake up baby
You're so totally deluded
You'll end up old and lonely
If you don't get a bullet in your head Good luck good luck
Good luck in your new bed
Enjoy your nightmares honey
When you're resting your head And I'm glad so glad that I'm done with you
No more crying crying leaving me so black and blue
You backed me up against the wall but I stand tall
Don't give a damn no more Oh baby bye bye
No more lies
No more lies
No more lies
Without you Good good luck
In your new bed
Enjoy your nightmares when your resting your head
Good good luck
In your new bed
Enjoy your nightmares Good luck good luck
Good luck in your new bed
Enjoy your nightmares honey

When you're resting your head
