Marchin' In (Silver Columns Remix)

Lo-Fi-Fnk

Watch out, here it comes marchin' in
Ready to shake up everything
You should take shelter, stop bargaining
Watch out, here it comes marchin' inFrom now on till March
What's mine, what is ours
It's written in stars
And it hits you as hardWatch out, here it comes marchin' in
Trying to beat it, you never win
Ready to shake up everything
Watch out, here it comes marchin' inSo hold on to your heart
It hits you so hard
Don't look back, keep on
And embrace what's to comeWatch out, here it comes marchin' in
Watch out, here it comes marchin' in
Watch out, here it comes marchin' in
Watch out, here it comes marchin' inSo go with open arms
Take it as it comes
You need to take part
Could be a new startWatch out, here it comes marchin' in
Watch out, here it comes marchin' in
