Everything I Need

Kutless

When every step is so hard to take
And all of my hope is fading away
When life is a mountain that I cannot climb
You carry me, Jesus, carry me
You are strength in my weakness
And You are refuge I seek
You are everything in my time of need
You are everything, You are everything I need
When every moment is more than I can take
And all of my strength is slipping away
And every breath gets harder to breathe
You carry me, Jesus, carry me
You are strength in my weakness
And you are refuge I seek
You are everything in my time of need
You are everything, You are everything I need
You, You are everything I need
I love everything about You
You are strength in my weakness
You are refuge I seek
You are everything in my time of need
You are everything, You are everything
You are strength in my weakness
And you are refuge I seek
You are everything in my time of need
You are everything, You are everything I need
Everything, You are everything I need
