Village Inn

Robert Earl Keen

Where the open range
Meets the endless sky
On a broad highway
The Big trucks flyPurple neon sign
Is flashing off and on
Theres a vacancy
Your almost homeChorus:
The Village Inn Motel
So affordable
For a King or a Queen
Clean and Comfortable
If you aint been, you should go
Village Inn Motel, in Challis, IdahoMidnight thunderstorm
Is blowin into town
Wind is kicking up
Rain is falling downThe years have come and gone
Like lightin in the sky
Here inside your room
The world is safe and dryChorus:The Village Inn Motel
So afforadable
For a King or a Queen
Clean and Comfortable
