

# Village Inn

Robert Earl Keen

Where the open range  
Meets the endless sky  
On a broad highway  
The Big trucks fly Purple neon sign  
Is flashing off and on  
Theres a vacancy  
Your almost home Chorus:  
The Village Inn Motel  
So affordable  
For a King or a Queen  
Clean and Comfortable  
If you aint been, you should go  
Village Inn Motel, in Challis, Idaho  
Midnight thunderstorm  
Is blowin into town  
Wind is kicking up  
Rain is falling down  
The years have come and gone  
Like lightin in the sky  
Here inside your room  
The world is safe and dry Chorus: The Village Inn Motel  
So affordadable  
For a King or a Queen  
Clean and Comfortable  
Free WiFi H-B-O  
Village Inn Motel, in Challis, Idaho
