Demo Car City

The Junior Varsity

I'm driving towards towers tops burning red
Sunny day and your real estate will drive me home
Stay off the main roads for me
Because I grew up in demo car city

This is how you waste a friend and I won't call you on it
This is what it's like to bend and I can't break for anyone
This is what I wanted when I had everything
This is how you waste a friend and I won't call you on it

When can I become? When will this be routine?
Because you know that's all I have for me
Stay off my back for me
