

Miracle To Me

The Black Crowes

Come on off of your rooftop
Come on down to the street
Well I've got something to tell you
Your secrets I will keep
Tell me why have you been crying
Why won't you look me in the eye
I'm just trying to help you
And I just need to know why
Please won't you let me try

[Chorus:]

Be my secret, be my joy
Be a miracle to me
Be my lover, baby be my friend
Be a miracle to me

Want to sleep in your moonglow
In my mind your smile I keep
Head over heels I go
Like a dream from a peaceful sleep
This time I know I'm in deep

[Chorus]
